The reasons for serving this Notice of Decision are:

Provident Healthcare NI was registered as a nursing agency on 4 April 2018. Inspections conducted on 28 March 2019 and 9 December 2021 confirmed that the nursing agency had not become operational and neither was there a specified timeframe for the service to become operational.

The inspection of Provident Healthcare NI undertaken on the 9 December 2021 identified that a Registered Manager had not been employed since the inspection of 28 March 2019.

The reason for serving this notice of decision is to ensure that Provident Healthcare NI continues to be appropriately monitored in accordance with The Nursing Agencies Regulations (Northern Ireland) 2005. RQIA has applied this condition to the registration of Provident Healthcare NI to ensure appropriate regulatory oversight of the nursing agency and that RQIA is informed prior to the nursing agency becoming operational.

Under Article 22 of the 2003 Order the Registered Person/Applicant may, within 28 days of the service of this notice, make an appeal to the Care Tribunal concerning any matter which that person wishes to dispute.

Signed..... Chief Executive

This notice is served under Article 20 of The Health and Personal Social Services (Quality, Improvement and Regulation) (Northern Ireland) Order 2003.

It should be noted that failure to comply with some regulations is considered to be an offence and RQIA has the power under regulations to prosecute for specified offences.
