Assurance, Challenge and Improvement in Health and Social Care

1.0 Summary

An announced inspection of Loughry Dental Practice took place on 6 March 2017 from 10:00 to 10:30.

The application for variation of registration related to a proposed increase in the number of dental chairs, from two to three.

Ms Liz Colgan, (bank) Care Inspector, undertook a care inspection on the same day; the subsequent report will be issued as a separate document.

The variation to registration complied with estates environmental requirements and is deemed as approved, subject to care inspector approval.

This inspection was underpinned by The Independent Health Care Regulations (Northern Ireland) 2005; The Regulation and Improvement Authority (Independent Health Care) (Fees and Frequency of Inspections) (Amendment) Regulations (Northern Ireland) 2011; and the Department of Health, Social Services and Public safety (DHSSPS) Minimum Standards for Dental care and treatment (2011) or The Minimum Care Standards for Independent Healthcare Establishments (July 2014).

1.1 Inspection outcome

	Requirements	Recommendations
Total number of requirements and recommendations made at this inspection	0	0

This inspection resulted in no requirements or recommendations being made. Findings of the inspection were discussed with Mr Adam Jeffers, Registered Responsible Person, as part of the inspection process and can be found in the main body of the report.

There was no enforcement action implemented as a result of the findings of this inspection.
